Are Your Loved Ones Protected?

Equip your bathroom with the best of hygiene as the first line of defense to protect your loved ones. Introducing American Standard HygieneClean™ System - the revolutionary technologies that effectively eliminate dirt and prevent bacteria growth, all while keeping your toilet looking as good as new.

RIMLESS-CLEAN

HYGIENE RIM

Truly rimless, cleaned in just one swipe.

POWER FLUSH

DOUBLE VORTEX

Maximum flushing performance, minimum water usage.

ANTI-STAINING

AQUA CERAMIC

Super hydrophilic technology prevents dirt and dark ring stains from sticking to ceramic surface.

ANTI-BACTERIAL

COMFORTCLEAN

Effectively inhibits the growth of E.coli bacteria according to tests done with IMSL.

For guaranteed authenticity & warranty coverage, purchase from these authorised dealers stores only.

Upgrade for Enhanced Hygiene and Comfort

American Standard Spalet collection offers a range of electronic and manual bidet seats designed for advanced personal cleansing systems and pampering comfort. Pair these bidets with American Standard WC and be ready to enjoy total comfort while enhancing your personal hygiene.

KEY HYGIENE FEATURES:

SELF-CLEANING NOZZLES

Nozzle tips are rinsed with water before and after every use for better hygiene.

ANTI-BACTERIAL PROTECTION

Uses anti-bacterial resin on seat, cover, nozzle and remote control. Certified to SIAA ISO 22196 standard for anti-bacterial efficacy (seat only).

DUAL NOZZLES

Dual nozzles for double the clean. Equipped with dedicated front and rear cleansing nozzles with multiple convenient position adjustments.

ADDITIONAL FEATURES:
